# OLIVIA SCHWAIGER

## Mechanical Engineering

- 123 Anywhere St., Any City, ST 12345
- 123-456-7890
- hello@reallygreatsite

Dedicated and detail-oriented Mechanical Engineer with 5+ years of experience in designing, analyzing, and optimizing mechanical systems for diverse applications. Skilled in modeling, thermal and structural analysis, and cross-functional team leadership. Committed to continuous improvement, efficient problem-solving, and delivering projects on schedule.

## WORK EXPERIENCE

**Senior Mechanical Engineer | Think Unlimited** Jan 2022 – Present

- Led the design and implementation of advanced mechanical systems for multiple projects, improving system efficiency by 18%.
- Supervised and mentored a team of junior engineers, fostering skills development and technical growth.
- Coordinated product testing, troubleshooting, and implemented quality control measures to ensure compliance with industry standards.

**Mechanical Project Engineer | Borcelle Company** Jul 2019 – Dec 2021

- Managed projects from concept to completion, focusing on manufacturability and durability.
- Conducted root cause analysis for mechanical failures and implemented corrective actions.
- Collaborated with cross-functional teams to resolve technical challenges and optimize designs.

## SKILLS

### Hard Skills

- 3D Modeling
- Finite Element Analysis
- Thermal System Design & Simulation
- Mechanical Component Design & Assembly

### Technical Skills

- Root Cause Analysis & Troubleshooting
- Project Management & Scheduling
- Design Optimization & Value Engineering
- Quality Control & Assurance

## EDUCATION

**Bachelor of Mechanical Engineering** 2015 – 2019

University of Arrowai | Thermodynamics, Machine Design, Fluid Mechanics

## OTHER

- **Certified:** Professional Engineer
- **Languages:** English, Mandarin
- Member of Mechanical Engineering Association

# KETUT SUSILO

## SOFTWARE DEVELOPMENT

+123-456-7890 | hello@reallygreatsite.com | 123 Anywhere St., Any City

Motivated Software Developer with 5+ years of experience in designing, developing, and maintaining scalable applications. Expertise in full-stack development, from planning and coding to testing and deployment. Adept at collaborating in agile teams and committed to writing clean, efficient code. Passionate about continuous learning, problem-solving, and delivering innovative technical solutions.

## PROFESSIONAL EXPERIENCE

**Software Developer**
Ginyard International, Co | Jakarta, Indonesia
March 2020 - Present

- Assisted in the development of internal tools and customer-facing applications using modern programming languages and frameworks.
- Implemented unit tests and participated in debugging sessions, reducing the number of post-release issues.
- Coordinated with design and QA teams to refine application features and ensure usability.
- Maintained documentation and contributed to the continuous improvement of development processes.

**Junior Software Developer**
Giggling Platypus, Co | Bandung, Indonesia
July 2017 – February 2020

- Assisted in the development of internal tools and customer-facing applications using modern programming languages and frameworks.
- Implemented unit tests and participated in debugging sessions, reducing the number of post-release issues.
- Coordinated with design and QA teams to refine application features and ensure usability.
- Maintained documentation and contributed to the continuous improvement of development processes.

## EDUCATION

**Bachelor of Computer Science**
Hanover And Tyke University
**Graduated: 2013**

**Master of Computer Science**
Hanover And Tyke University
**Graduated: 2017**
